IMPORTANT: Parking at the lodge is very limited, so please carpool. If you arrive in Breckenridge with less than four people in your car, please stop by the ski parking lot near the gondola (Park Avenue & French Street entrance, free parking during non-ski season), which will be marked for our group (northeast corner), and bring more people with you. If needed, we will find them a ride back to their cars.

At the lodge, there are two small parking lots; we would like to reserve the upper lot for special circumstances and deliveries. The majority of the parking will be on the street and you will need this parking permit so your car does not get towed.

Drive all the way up to the lodge and we will have people directing parking.

# TOWN OF BRECKENRIDGE
# ON-STREET PARKING TERMS AND CONDITIONS

Dear Breckenridge Business Owner, Citizen or Guest:

The Breckenridge Parking Department received your request for vehicles to park on the street for your upcoming special event. We appreciate you notifying us and we will be able to grant permission for on-street parking under the following conditions:

- All vehicles must park on one side of the street and face the same direction.
- No parking within five feet of a public or private driveway.
- No parking within fifteen feet of a fire hydrant.
- No parking within twenty feet of a crosswalk.
- No parking on sidewalks, or blocking of intersections.
- No parking on a bridge or other elevated structure.
- No parking on any town streets from 2:00 a.m. – 6:00 a.m., unless otherwise approved in this agreement by a Community Service Officer.

Please keep in mind, parking on Town streets is normally prohibited. In order for the Town to make an exception to the parking ordinance, we need strict compliance with the above regulations from all your guests. Violations could result in a vehicle being ticketed or towed, at the owner's expense.

Please contact our Administrative Parking Specialist at (970) 547-3122 if you have any questions.

Sincerely,

Community Service Officer
Town of Breckenridge
